Dear Junior/Senior High Families,

One of the many goals for all of our students at Hornell Junior and Senior High is to maintain a high level of learning. We believe that a reward for acceptable academic performance, good citizenship and attendance is the privilege of participating in extracurricular activities.

On the opposite side of this letter is Appendix A where you will find a list of high-interest extracurricular events to be sponsored through the Hornell Junior and Senior High School this school year. To be eligible to participate in these events, students need to be in good academic standing, demonstrate acceptable attendance and adhere to the code of conduct.

Please carefully review the information on Appendix A so you and your student(s) are informed regarding their academic expectations for participating in these upcoming events. In addition, students will be reminded of the eligibility expectations through daily announcements, event publicity, and conversations with counselors, teachers and administrators.

Please be mindful of your child's eligibility status as you and your child purchase dress, tux, flowers or other dance-related expenses.

Thank you for your help in emphasizing that the academic performance of our students is their primary responsibility. If you have questions, please contact us well before the event in question at 324-1303.

Sincerely,

Lisa Sanford
