eSD® Parent Portal Home

Welcome to the eSchoolData Parent Portal! You are about to enter into an exciting new partnership with your student and your school district.

The eSchoolData Parent Portal is a cutting-edge communications tool designed to enhance and increase your involvement in your student's education using the power of information.

In our busy world, timely communication between parents and school districts is essential for optimal student achievement. The eSchoolData Parent Portal allows for instant online access to current and relevant information that will enhance your involvement with your student's academic career. This is accessible through eSchoolData's secure, password protected environment.

Register now and help your student meet success today!

<input type="button" value="Add Student to the above list"/>		<input type="button" value="Clear"/>			

If you are registering for more than one student, click here to add another

Click to complete

It's that simple!

- If you get an error, please see the next page.
- Upon your successful submission, your information will be sent to a district official that will verify your information is correct for security purposes.
- Once accepted by the district, you will be notified via an “automated response” that your registration has been accepted, and that you now have access to the parent portal.
- If you have any questions, please feel free to contact Kim Bacon at kim.bacon@hornellcsd.org

Error message

 At least one of your students' information is required.

- If you receive this error message:
 - The student ID # could not be matched with our eschool database for that particular building. Please verify the school building and the ID #
 - If you did verify the above, there may be a database security question we may have for you. Please contact Kim Bacon at kim.bacon@hornellcsd.org and we will resolve the issue.

Parents have the ability to update their information.

Click “My Account” in the top-right portion of the screen

You can update your...

The screenshot shows a web application interface with a navigation bar at the top containing four tabs: Home, Update Account Info (selected), Personal Information, and Student Information. Below the navigation bar, the main content area is divided into three sections for updating account information:

- Change Password:** This section contains two input fields. The first is labeled "New Password" and has a note next to it: "(should be a minimum of 6 characters with at least 1 number)". The second is labeled "Confirm Password".
- Change Username:** This section contains three input fields. The first is labeled "Your Current User Name". The second is labeled "New User Name". The third is labeled "Confirm User Name".
- Change Email:** This section contains three input fields. The first is labeled "Current Primary Account Email Address" and has a vertical line to its right. The second is labeled "New Primary Account Email Address". The third is labeled "Confirm New Primary Account Email Address".

At the bottom right of the form area, there is a button labeled "Update Account Information".

- Account information, including email, username and password
- Your personal information (which will go in our school database), including phone numbers and email addresses.
