November 29, 2011

Dear Parents or Guardians,

Hornell City Schools are dedicated to providing a quality education to all students. As part of our commitment, I want to tell you about extra school support called Supplemental Education Services (SES).

Your child is eligible for SES because he or she attends a Title I School in Need of Improvement in English Language Arts and has an IEP or 504 Plan. These academic services are free for your child. We expect to provide help/tutoring to all eligible students who ask for it. If there are more students than funding, students with the greatest academic need will have first priority.

If your child is having difficulty in English-Language Arts (ELA), then SES will provide the help/tutoring that your child needs to be successful. Providers will offer help/tutoring after school, weekends and during the summer for all students including students with disabilities or who may have limited English proficiency. Services will take place in your home, the school, neighborhood locations or through the Internet. You may find providers at <http://www.emsc.nysed.gov/nclb/ses/ApprovedProviders/home>. You will decide on a location with the provider.

This packet explains what you, as a parent, must do to make sure your child gets these free services. Included in the packet are the following:

- SES Parent Program Selection form with your child's information
- a calendar of important dates

If you decide you want your child to receive SES, you are encouraged to attend this year's SES Vendor Fair at Hornell High School on December 15, 2011 between 5:00 and 8:00 pm. Assistance in completing the SES Parent Program Selection form will be available at the Vendor Fair on December 15, 2011 between 5:00 and 8:00 pm. The completed form must be submitted to your child's guidance counselor. Enrollment will be open through January 13, 2012. I would encourage you to contact your child's teacher, guidance teacher or other school personnel for input. If you have any questions, please do not hesitate to contact us at 324-1303.

In January, the company will contact you to arrange the specific date, time, and location for services to begin. If you have not heard from the company by January 27, 2012 please call the High School Office at 324-1303 for assistance.

Together we can provide the support your child needs for success.

Sincerely,

Mr. Ted Illi
Principal
Hornell Junior High School
