INTERNET ACCESS

The Hornell City School District uses a BOCES operated internet filtering service that prevents the display of content inappropriate for students. The content that students will be denied access to includes sexually explicit material, graphically violent material, material relating to hate groups and their message, profanity, chat sites, and sites that gather personal information. Material advocating illegal activity such as drug use, bomb making, underage drinking and gambling, information on committing murder or suicide and sites that promote plagiarism or cheating are also inaccessible to anyone using the district's network. While we are very satisfied with our filtering software, you should know that no solution is perfect. All filtering software may block innocent sites and allow some inappropriate sites to slip through. Using the internet is a privilege, not a right. The district expects your child to show respect for technology and use it appropriately or they will forfeit this opportunity.

As the parent or legal guardian of the minor named on this document, I am granting permission for my child to access the internet under adult supervision. I also understand that individuals and families may be held liable for violations and I am accepting responsibility for conveying standards for my child to follow when selecting, sharing or exploring information on the internet.

Health Services Guidelines

1. **School Physicals:** A physical is necessary for all students entering into public school as mandated by New York State for the following: **All New Entrants, Pre-K/K, 1st, 3rd, 5th, 7th, 9th and 11th** grade students. If your child has had a physical within a year of the first day of entering please be sure to provide a copy to your school nurse. Physicals are to be done by a physician licensed to practice in New York State and shall include **BMI** (body mass index) and **WSC** (weight status category) information which will be reported to NYS without the use of names. Parents may opt out of having their child's WSC reported to NYS by signing an "opt out" request and returning it to the respective school health office.

Physicals are offered at school for newly enrolled students, students in the mandated years, playing sports (required annually) and for working papers.

2. **Immunization record:** An **official** immunization record from a physician's/public health office is required for entry in NYS schools. This record **must be produced within 14 calendar days of admission** to school, **30 days if coming from out of state.**

New York State Department of Health requires that each student comply with the following immunization requirements: Hib-Pre-K 1-4 doses, PCV- Pre-K 1-4 doses, DTP-Pre-K 4 doses, grades K-5- 5 doses or 4 if the 4th dose given at 4 years of age or older grades 6-12- 3 doses , Polio- Pre-K- 3 doses, grades K-11- 4 doses or 3 if the 3rd dose was given at 4 years or older, 12th grade 3 doses, MMR- Pre-K 1 dose, K-12- 2 doses , Hepatitis B Series- 3 doses, Varicella(chicken pox)- Pre-K and 12th- 1 dose, 2 doses for all others, TDAP- 1 dose for all students entering grades 6 - 12. **ALL STUDENTS ENTERING: 7th, 8th, 9th, 10th and 12th grades- MUST have the MENINGOCOCCAL VACCINE – THEY CAN NOT START SCHOOL WITHOUT IT.** Again if you have already provided proof of this to the school nurse thank you, nothing further needs to be done.

3. **Hearing, Vision and Scoliosis:** The school nurse will do vision screening for all new students as well as students in grades Pre-K/ K,1,3,5,7 ,11 and upon request. Scoliosis screenings will be done for girls in grades 5 & 7 and boys in grade 9, any abnormal finding will be reported to the students' parent/guardian.

4. **Physical Education Restrictions:** NYS requires that all students participate in physical education. If your child has an illness or injury which prevents them from performing normal activities, please ask their physician to document what they can do safely and bring the note to the nurse's office. When your child can return to normal activities a written release from the doctor is also required to be brought in.

5. **Medication:** Any medication that must be taken during school hours including over the counter medications, must be brought to the nurse's office in its original container with the label intact. A parent should bring the medication to school with a permission form signed by the physician and the parent. The medication will be kept in the nurse's office and administered at the proper time.

2022-23 School Year New York State Immunization Requirements for School Entrance/Attendance¹

NOTES:

Children in a prekindergarten setting should be age-appropriately immunized. The number of doses depends on the schedule recommended by the Advisory Committee on Immunization Practices (ACIP). Intervals between doses of vaccine should be in accordance with the ACIP-recommended immunization schedule for persons 0 through 18 years of age. Doses received before the minimum age or intervals are not valid and do not count toward the number of doses listed below. See footnotes for specific information for each vaccine. Children who are enrolling in grade-less classes should meet the immunization requirements of the grades for which they are age equivalent.

Dose requirements MUST be read with the footnotes of this schedule

Dear Parents and Caregivers:

As part of a required school health examination, a student is weighed and his/her height is measured. These numbers are used to figure out the student's body mass index or 'BMI'. The BMI helps the doctor or nurse know if the student's weight is in a healthy range or is too high or too low.

Recent changes to the New York State Education Law require that BMI and weight status group be included as part of the student's school health examination. A sample of school districts were selected to take part in a survey by the New York State Department of Health; our district has been selected and will be included in the survey. We will be reporting directly to New York State Department of Health information about our students' weight status groups. Only summary information will be sent; names or other personal information about individual students will not be included.

You may choose to have your child's information excluded from this survey report. If you decide you would like your child's information excluded please submit a written request to the Health Office.

Sincerely,

Acceptable Use Policy for School Chromebooks

The focus of the one-to-one (1:1) Chromebook program at the Hornell City School District is to prepare students for their future in a world of digital technology and information. The 21st Century Skills in Education requires that technology be integrated throughout the curriculum. Technology encourages problem-solving and critical thinking skills, yet does not diminish the teacher from facilitating learning. The Hornell CSD, following the Children's Internet Protection Act (CIPA) requirements and NYS Education Law 2D, has safety policies and technology protection in place to filter and monitor the online activities of our students.

Students in grades 5-12 will be issued a Chromebook and be allowed to take the device back and forth from school to home. Students in grades 4pk-4 will have access to classroom sets of devices. Students in grades 5-12 will be issued a Chromebook once this agreement has been signed and returned. Stickers or personal markings are not to be applied to the devices. Upon receipt of a Chromebook, the agreement between the Hornell City School District (HCSD), the student, and his/her parent or legal guardian is in effect for the duration of the student's time in the district. The student and parent(s), in consideration of being provided with a Chromebook and related materials for use while a student at HCSD, agree to the following:

Equipment and Accessories:

HCSD has the sole right of possession of the Chromebook and any related equipment and gives the student permission to use the device and accessories according to the guidelines stated in this document. The HCSD administrative staff retains the right to collect and/or inspect the device at any time, including by remote access, and to add, delete or change installed software and hardware. HCSD administration may deny, revoke, suspend, or limit a student's network account at any time without prior notification.

HCSD will retain records of serial numbers of the Chromebooks and to whom they are assigned. HCSD will stock a limited number of Chromebooks that may be loaned out if the assigned device becomes inoperable; however, HCSD cannot guarantee a loaner may be available at all times. Students may not keep a broken Chromebook or avoid using a Chromebook due to loss or damage. If a student forgets to bring the device or power adapter to school, a substitute may or may not be provided.

Students in 5th-12th grades are solely responsible for bringing the fully charged Chromebook to school each day. Students are solely responsible for any data stored on the Chromebook. It is the responsibility of the student to backup data as necessary to Google Drive. There is no guarantee that data saved directly to the device can be recovered.

Additional files such as music files, video files, and applications not related to schoolwork may be deleted without notice upon discovery and may result in a violation of the Internet Acceptable Use Policy. HCSD Chromebooks are not to be used for personal profit or nonprofit purposes such as advertising, rentals, selling or buying, soliciting for charity, or other similar uses.

Chromebooks will be treated in the same manner as other school-owned educational tools. Therefore, all Hornell City School District policies, rules, handbooks, contracts, directives, including disciplinary measures apply to the Chromebook use.

HCS D does not guarantee that content stored on Chromebooks or Google's server will be private. HCS D reserves the right to monitor using a variety of methods or access school Google accounts and Chromebooks if it suspects or is advised of possible breaches of security, harassment, or other violations of school policy, rules, regulations, or law, or if there is evidence of data or other intellectual property that belongs to another person.

Student unenrollment from HCS D requires the Chromebook be returned promptly, and any applicable damage fee/s be paid. All Chromebooks will be collected before the end of the school year for maintenance and repair. Students will retain their original Chromebook each year while enrolled through grades 5-8 and 9-12 to align with the life-cycle of the device and will receive the same computer when school reconvenes in the fall when at all possible. To protect the HCS D asset, the administration retains the right to assign probationary privileges to students in the following circumstances, including but not limited to: newly arriving student to the district, students with poor attendance records, students who have violated the Acceptable Use Policy, students whose parent/guardian requests the student not take the Chromebook home.

Students on the probationary list will be required to turn in their Chromebook to the library or main office at the end of each day. The equipment will be secured for the night and the student will be allowed to check it back out on a daily basis. Disciplinary actions will be handled on a case-by-case basis at the discretion of the building administration.

Students are solely responsible for reasonable care and use to ensure the Chromebook is not damaged. Treat this Chromebook with as much care as if it were your own. If damage is caused by negligence, as determined by the administration, the student and parent or guardian will be billed a fee on a case by case basis.

Examples of gross negligence include, but are not limited to: leaving the computer unattended and unlocked resulting in loss or damage, lending equipment to others, using the computer in an unsafe environment, or using the computer in an unsafe manner. All repairs and service must be processed through the Hornell school technology department. Do not attempt to repair the Chromebook on your own or to contact the equipment manufacturer.

Using the Chromebook at School

Students are responsible for the ethical and educational use of technology resources at the Hornell City School District. Access to these resources is a privilege, not a right. Each employee, student, and/or parent or legal guardian will be required to follow the Acceptable Use Policy. Transmission of any material that is in violation of any federal or state law is prohibited. This includes, but is not limited to the following: confidential information, copyrighted material, threatening or obscene material, cyberbullying, and computer viruses.

Inappropriate media may not be used as a screensaver or background. The presence of guns, weapons, pornographic materials, inappropriate language, alcohol, drugs, gang-related symbols or pictures may result in disciplinary action. Students may choose a Google account password. This password should be kept private and secure.

Only school-approved applications are to be loaded on the Chromebook. Students must not intentionally interfere with the functioning of a HCS D Chromebook. File sharing, file-sharing programs, or the installation and/or use of any Internet-based file-sharing tools are prohibited. The use of virtual private networks (VPN) is prohibited.

Accessing Internet Away From School

Students are allowed to access other Wi-Fi networks on their Chromebooks, however, school personnel will not provide support for network issues away from school. Internet filtering and monitoring will still apply, regardless of where the Wi-Fi is being obtained from.

Violations of the Acceptable Use Policy or Digital Citizenship Responsibilities may result in disciplinary action or loss of Chromebook and network privileges. The HCSD network and Chromebook may NOT be used for the following, but not limited to: illegal activity, access or transmitting offensive materials, hate mail, material advocating violence or discrimination, obtaining obscene or pornographic material, creating or forwarding inappropriate (mean-spirited, racist, pornographic, false, etc.) material, using another person's account (with or without his or her permission), accessing or modifying other users' accounts, files, or passwords, or any action that deliberately disrupts network service or damages equipment or data. HCSD empowers the HCSD faculty to set boundaries within their classrooms. Individual teachers may set further restrictions for their classrooms.

Fee Structure for Loss and/or Malicious or Intentional Damage:

If a Chromebook and/or AC power adaptor has been defaced or damaged beyond the normal wear of a computer which has been handled safely and responsibly, families may be responsible for repairs or replacement costs. Families may also be charged for replacements if Chromebooks are lost or stolen due to students leaving them unattended or unsecured. We understand that damage may occur accidentally and that theft is possible even under a watchful eye; in either case, students should notify the administration as soon as possible so an investigation may take place.

It is not HCSD's intent to levy unnecessary fines for damaged or lost technology. Accidental damage will be covered by HCSD and a replacement Chromebook will be provided. If your Chromebook and/or AC power adaptor shows signs of extreme misuse or damage beyond the normal wear of a device that has been handled safely and responsibly, families may be fined for repairs or replacements. Families may also be charged for replacements if Chromebooks are lost or stolen due to students leaving them unattended or unsecured. We understand that damage may occur accidentally and that theft is possible, even under a watchful eye; in either case, students should notify teachers or administration as soon as possible so an investigation may take place. In the event, a device is stolen outside of school property the parents/guardians are responsible for filing a police report and sharing that with the district within 5 business days. If no police report is provided then parents/guardians will be responsible for the full replacement cost of the device.

If a student Chromebook is not returned at the end of the school year, or upon transferring out of the district, the administration will work with parents/guardians to ensure this equipment is returned in a timely manner. If the administration is not successful, this matter may be turned over to local law enforcement. Please note that the Chromebooks are equipped with theft-recovery capabilities. In addition, they are only to be used by authorized hornellcsd.org users.
